Johnny Hart Supports BCC Annual Fund With Cartoon

Nationally known area cartoonist Johnny Hart and his "B.C." cartoon characters have joined together to support the BCC Annual Fund campaign for 1988-89.

Hart donated his cartoon talents to promote this year's campaign. The cartoon strip appears on approximately 24,000 Annual Fund brochures the community should be receiving at this time.

Dr. Dellow said of Hart's contribution: "On behalf of our college community we thank Johnny Hart for lending his good name and talents to our Annual Fund this year. Thanks to the instantaneous recognition of his characters by the public, we are confident our fund raising effort on behalf of BCC will be successful. Being able to have a 'B.C.' cartoon on the face of Annual Fund brochure adds a touch to our appeal that is invaluable."

BCC President Chairs Foundation's Annual Fund

(L. to R.) Dr. Donald A. Dellow, Alex DePersis, Nancy Bettencourt

Dr. Donald Dellow, BCC President, is enthusiastically supporting the efforts of the BCC Foundation by being the first College President to serve as Honorary Chairman for the 1988-89 Annual Fund which begins this month and continues through the academic year.

"The Foundation provides opportunity and resource for students, the college and the faculty. The money the Foundation raises from alumni, corporations, parents and others in the community goes toward grants-in-aid and merit scholarships for students and for faculty development and small capital projects not funded by public dollars. The Foundation is an integral part of our life here at BCC and through the tireless efforts of the over 150 volunteers and staff it will continue to provide," Dr. Dellow stated. He said that about 80% of all program support is for grants and scholarships.

Volunteer leadership for the Community Friend and Corporate divisions of the campaign will be filled by two BCC graduates, **Nancy Bettencourt** and **Alex DePersis**. Mrs. Bettencourt will chair the Community Friend section while Mr. DePersis heads the Corporate effort.

After graduating from BCC, Mrs.

Bettencourt continued her education at SUNY Oneonta and SUNY Binghamton. She holds a Masters degree in Elementary Education. She has taught Kindergarten through second grades in the Binghamton School District for the past 14 years. She is active in the Junior League of Binghamton, the United Way of Broome County, the Cancer Society, Multiple Sclerosis Society and the Anderson Center. Mrs. Bettencourt has been an active member of the Foundation serving as a team member and leader.

Mr. DePersis, a Senior Vice President at the Binghamton Savings Bank, has been actively involved in BCC since his years at the College. He has been an enthusiastic supporter of BCC and the Foundation. His enthusiasm has been instrumental in the success of the Foundation's Annual Fund campaigns through the years. He has been a campaign canvasser, Team Leader and is a member of the Foundation Board of Directors.

Serving with **Mrs. Bettencourt** as Team Leaders for the Community Friend fund raising effort are: **Sally Akel, Gordon Allen, Erwin Hausmann, Jane McGovern, Sandy Perkins, Dick Place, Pat Sissenstein, Dolly Walls, Tom Walls, Nancy Walter** and **Mary Jane Westbrook**.

Mr. DePersis' Team Leaders are: **Charles Brink, Richard Faust, Ronald Goodwin, Ronald Lesch, Joyce Majewski, Donna Rehak, Agnes Short, Judy Spencer** and **Sharon Witte**.

These two sections of the overall campaign will be carried out in November and December with a combined total fund raising goal of \$88,000.

Alumni and parent fund raising efforts begin in September and have a combined goal of \$40,500. Besides alumni, parents, corporations and community friends, gifts are sought from faculty and staff, private foundations and civic and professional organizations. The goal for the entire campaign is \$241,000.

Susan R. Lobo Appointed BCC Alumni Director

Susan R. Lobo of Johnson City was appointed BCC's Director of Alumni Affairs last February. She replaced Joseph Flanagan, who took a similar position at the State University College at Buffalo.

As Alumni Affairs Director, she oversees the activities of the BCC Alumni Association, working closely with its Board of Directors. Also, she initiates and directs new programs for Association members, as well as alumni in general.

In fund raising, a primary responsibility, Ms. Lobo is in charge of the Alumni and Parent Funds, which include a series of phonathons. These efforts, sponsored by the BCC Foundation, raise dollars to help financially needy students, provide merit scholarships and fund faculty development and other projects on campus.

Before assuming her new duties at BCC, Ms. Lobo was responsible for the SUNY-Binghamton Foundation's alumni and parent fund raising phonathons since 1984.

A 1983 graduate of SUNY-Binghamton, she is currently pursuing a masters degree at the University.

(L. to R.) Douglas Johnson, Dr. Donald A. Dellow, Peter Robinson.

Peter Robinson, White House speechwriter, was the guest speaker at the BCC President's Round Table Luncheon held on April 20, 1988.

Mr. Robinson has served as a White House speechwriter since 1983. He has worked on more than 300 addresses with President Reagan, including the speech the President delivered in Endicott during the 1984 campaign. Mr. Robinson has also worked on a book with William F. Buckley, Jr. that celebrates the past 20 years of Mr. Buckley's television program, "Firing Line." Mr. Robinson is a native of Vestal and

graduated from Vestal High School in 1975. He received a degree in English from Dartmouth College and studied Politics and Economics at Oxford University, England.

The President's Round Table is sponsored by the BCC Foundation, Inc. and is held bi-annually to thank the major contributors of the Foundation. Money raised by the BCC Foundation grants financial aid to needy students, supports merit scholarships, and funds other programs that benefit the students and campus.

Alumni Giving Sets New Record

Alumni efforts to enhance private support for the College enjoyed continued success this year.

About 820 BCC alumni contributed \$29,615 to the 1987-1988 Foundation's Annual Fund. That's a 24% increase over last year's alumni giving of nearly \$24,000. When employer matching gifts are included, the final total is about \$50,000.

If you're one of our alumni donors, we'd like to say thank you. If it weren't for you and other friends of the College, BCC wouldn't be the great community college it is today.

Also many thanks to our friends who provided free prizes and refreshments during our fund raising phonathons: **Arby's, BCC Campus Bookstore and Theatre Department, Friendly's, K-Mart, McDonald's, Spencer Gifts and Versatile Food Management Services.**

Broome Community College Introduces Russian 101

Broome Community College will add a new language to its array of course offerings in foreign languages this fall: Russian 101.

The interest of Americans in the Soviet Union has been growing steadily since the introduction of the policy of "glasnost" about two years ago. The recent rapprochement with the USSR allows us to expect an increase in travel and cultural and scientific exchanges.

Binghamton has a sister city in the Soviet Union and is now preparing the first student exchange between them. Americans will need to learn to communicate with their Soviet counterparts.

Russian 101 is an introduction to all aspects of the Russian language - basic vocabulary, essentials of grammar, reading and conversation. In fact, it will be much more than that. It will also be an introduction to the life of the Soviet people, aspects of their history, political system, economy and culture. It will reveal a Russia that is not as "mysterious" as some people believe.

The course will be taught by Victoria Belenkaya, a native speaker of the Russian language who has a PhD in literature and linguistics from Moscow State University. "I see this as a great addition to the many other efforts on campus to foster a greater awareness of our international neighbors," said Dr. Donald A. Dellow, President of BCC.

For more information about Russian 101, please call the BCC division of liberal arts and general studies (607) 771-5012.

Hire a babysitter, dust off your 'ol dancing shoes and get ready to kick up your heels at the **1989 ANNUAL ALUMNI DINNER & DANCE**.

This year's Alumni Dinner & Dance will be held on Saturday, February 4, at St. Michael's Hall in Binghamton. A cash bar cocktail hour will be available followed by dinner which includes family-style roast beef and haloupki. **Los Vega** will provide music and free give-aways will be available throughout the night. Tickets go on sale in January.

Dick Baldwin Inducted into NACDA Hall of Fame

The National Association of Collegiate Director of Athletics announced its 1988 Hall of Fame inductees in May. Among the 11 athletic administrators, was BCC Basketball Coach and Athletic Director Richard Baldwin (retired).

"We were honored to have this privilege to recognize those administrators who have dedicated so much of their lives for the improvement of college athletics," stated Carl Miller, NACDA President and director of athletics at University of the Pacific.

Coach Baldwin brought international attention to Broome Community College in February 1987 when he became the winningest coach in college basketball history with 879 wins in 40 seasons. As Athletic Director at Broome Community College for 39 years, he coached internationally in South America, Egypt & Puerto Rico and in the 1968 Olympic trials. He is a charter member of the National Junior College Athletic Association Basketball Hall of Fame.

Dick was in attendance when the inductees were honored at the NACDA's 23rd annual convention at Marco Island's Marriott Resort in June.

Reporters interview high school students visiting BCC for Career Expo '88.

Career Expo '88

The Broome/Tioga Counselor's Association hosted Career Expo '88 at Broome Community College on March 2, 1988.

Over 1,000 students from area high schools were invited to the BCC Campus to hear from over 60 presenters. Each speaker, a professional in a particular field, discussed his or her job from a variety of perspectives. Students had an opportunity to "sample" a variety of possible careers, alphabetically, from accountant to welder.

Career Days provide opportunity for high school students to get a feel for the reality of a particular career. People in the field reveal the day-to-day activities of their profession. Students can then make more informed decisions about career choices. Students also had an opportunity to question the presenters during each session.

Each presenter gave an overview of their job: what they do each day; how they chose their career; what track (educational and professional) they took to get where they are; the salary, the benefits and negative aspects of their job; what the outlook for future jobs in the field looks like, etc.

Career Expo '88 was a service of the Broome Tioga Counselor's Association. Broome Community College was honored to be the host institution and hopes to host a similar event this year.

County Executive Carl Young and a host of media reporters were on hand for the Business Lab dedication.

Business Education Week

In honor of Business Education Week, February 7-13, BCC dedicated a new business lab on campus. The lab, equipped with state-of-the-art computers and marketing equipment, was recently renovated in the basement of the Business building.

There is a business microcomputer lab and two new marketing areas; one is

designed for the creation of print advertisements and the other for the production and editing of television commercials.

These new labs will enable BCC students of the Business and Office Technologies Division to study on the new state-of-the-art equipment they will find in the market place.

1987-88 Annual Fund Tops \$225,000

For the seventh straight year, the BCC Foundation Annual Fund received a record number of gifts in its effort to support programs at the College. In the 1987-88 campaign, \$225,364 was raised from a wide range of private sources, including alumni. In fact, alumni gifts increased 24% from the previous year.

Because of space limitations, only alumni contributors are listed here and on the following pages. The names are listed alphabetically within giving levels. Those levels are:

Trustee Benefactor	\$1000
President's Circle	\$500
VP Honor Society	\$250
Dean's Century Club	\$100
Faculty Club	\$50
Founder's Club	\$40
Foundation Society	\$25
Annual Friend	\$5

All contributors, including alumni, are listed in the Foundation Annual Report. Every effort has been made to ensure accuracy. However, if your name is misspelled, misplaced or missing, please accept our sincere apologies. We would appreciate your contacting us at the Foundation Office, (607) 771-5182.

President Profile... Dr. Donald A. Dellow, BCC President

Dr. Donald A. Dellow

Donald A. Dellow was born in Freeville, New York on December 2, 1941. He attended elementary and secondary school there, and graduated from Moravia Central School in 1960.

While beginning his college career as a forestry student at Paul Smith's College in the Adirondacks, a Friday

afternoon lab session of trimming trees in minus 35 degree weather prompted a transfer into the liberal arts curriculum. An "exposure" to courses in psychology and philosophy stimulated a lifelong interest in those fields.

Graduating from Paul Smith's College in 1962 with an Associate in Arts degree, Dr. Dellow entered the State University College at Oswego as one of the first liberal arts students. He graduated from Oswego in 1964 with a Bachelor of Arts degree in psychology.

At the University of Florida he was a participant in the Kellogg Foundation program for community college educators. He received a Master of Education degree in community college teaching, with a minor in psychology. A series of teaching positions, research assistantships and further education led Dr. Dellow to his Doctor of Education degree in 1971. Dr. Dellow then accepted a position as Assistant Professor of Educational Psychology and Research at the University of Kansas. There he taught human growth and development and adolescent psychology at the graduate and undergraduate levels. He also developed a research interest in the improvement of classroom instruction.

This interest in faculty development continued at Memphis State University resulting in numerous articles on various topics in instructional development. Although he became tenured in 1978, Dr. Dellow left the university in 1979 to return to the community college scene as Chairperson of Social, Recreational and Business Sciences at North Country Community College in Saranac Lake, New York.

In 1982, Dr. Dellow became Dean of Instructional Affairs at Chipola Junior College in Marianna, Florida. Over a period of nearly six years he rose through the ranks to Vice President of Instructional and Student Affairs. When the President of the college left in the summer of 1987, Dr. Dellow was appointed Interim President. He did not apply for that position hoping instead for a presidency in New York. This keen interest to return to his roots brings Dr. Dellow to Broome Community College. His colleagues at BCC wish him success and pleasure here in our community.

Dr. Dellow is married to the former Judith Rowson, of Niagara Falls, New York. Dr. Dellow and Judy have two children, Jeremy (13) and Christopher (10). The family enjoys cross-country skiing, hiking, canoeing and traveling.

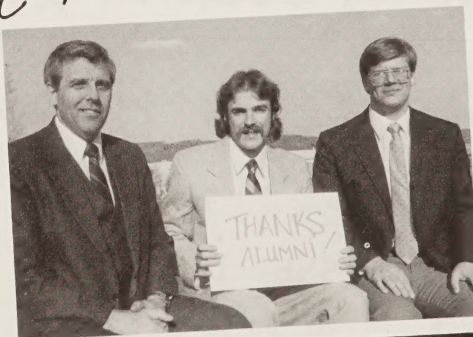

In January, BCC Emeritus Faculty and Staff were honored at a reception in the ATB Atrium. Left to Right-Dot Saeger, Mary Schum, Dick Baldwin, Ed Troicke, Shirley Osmun.

Two Gifts Add \$1.25 Million To Foundation Trust And Endowments

Two major gifts to trust of approximately \$1.25 million added to funds currently at work for BCC and its students resulted in the largest one year expansion of the BCC Foundation's endowment in its history last year.

A gracious and generous lady who wished to help young people get an education, the late Mary Wharton bequeathed the large part of her estate to the Dr. Raeburn J. and Mary H. Wharton Education Trust. The income from this large gift, the value of which was about \$835,000, will be used for grants to students with financial need. These students must have graduated from Johnson City, Seton Catholic Central or Union-Endicott high schools, all situated in Broome County, NY.

Also occurring in the last fiscal year was the considerable enhancement of the Dr. Leopold Eckler Scholarship Trust. Through a final estate settlement, the corpus of the Trust was expanded by approximately \$430,000. This makes that portion of the Trust for BCC over \$1 million. An equal amount serves students at the State University Center at Binghamton.

Because of the generosity of these two benefactors who believe in providing an educational opportunity for all, literally thousands of students will receive help and be rewarded for their efforts through the Wharton and Eckler Trusts.

"The positive contributions made to society by these students will be testament to the generosity of Mrs. Wharton and Dr. Eckler. The results of their gifts will live forever," said Roger Hartman, Foundation Executive Director.

SUNY Chancellor's Award for Excellence

State University of New York recently cited 54 classroom teachers, professional service employees and librarians for excellence in performance of their duties.

Acting Chancellor Jerome B. Komisar announced the names of professionals from 35 State University and Community College campuses, congratulating them for dedication to their campus and profession.

Among the recipients of the 1988 Chancellor's Award for Excellence were two Broome Community College employees: for Excellence in Teaching, **David K. Walsh**, Associate Professor of Biology; and for Excellence in Professional Service, **Charles J. Quagliata**, Dean, Center for Community Education.

The recognition series dates to 1972 when the Chancellor's Awards for Excellence in Teaching were created. Later the program was expanded to honor librarians and members of the professional service for distinguished performance. A SUNY-wide advisory committee of peer professionals makes recommendations for each group of awards, reviewing nominations from faculty, students and colleagues throughout the 64-campus system.

Each award winner receives a medallion suitable to be worn at commencements, honors convocations and other academic ceremonies.

As a result of being recipients of the Chancellor's Award, Dean Quagliata and Professor Walsh will also receive the BCC Foundation's Faculty/Staff Award. These firsttime awards carry a stipend of \$500 and are given by the Foundation in recognition of the excellence displayed by these two professionals. The Foundation awards will be presented at the President's Round Table Luncheon, to be held on October 1.

In his letter of support for Mr. Walsh's nomination, BCC President, Donald A. Dellow cited many examples of excellence in the classroom. "Since Mr. Walsh joined our faculty he has been an excellent and dedicated teacher in the community college setting . . . His courses are designed to create an environment where students with various skills and backgrounds have the

opportunity to be successful. Students rate Mr. Walsh as one of the best professors on campus . . . He has upgraded courses that were in existence when he joined the College and created new ones as the need arose.

Mr. Walsh is an active professional on campus. He has served as Chairperson of the College's Biology Department for a number of years and he is a member of the College Council. . . I endorse Mr. Walsh for the Excellence in Teaching Award. He is deserving of it and would be an excellent SUNY-wide representative of the Award's significance and prestige," said Dr. Dellow.

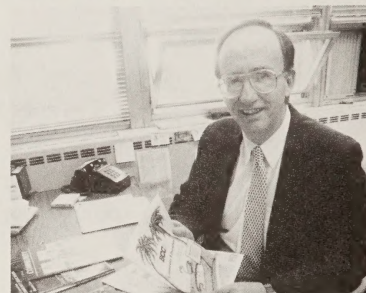

Dean Quagliata has been associated with Broome Community College since 1969 holding such positions as instructor and chairman in the English Department, acting Dean of Liberal Arts and beginning in 1981, Dean of Community Education.

In his letter of support of Dean Quagliata's nomination, then BCC Interim President, Murray H. Block, noted that the excellence associated with the BCC Community Education program was known statewide throughout the SUNY System. "A Community College - as its name implies - is a college for the community. Broome Community College is just that, in the very best sense, because its Community Education component is vibrant, effective, imaginative, aggressive, and supportive of the needs of the citizens of Broome County and the Southern Tier. . . BCC's Community Education IS Charley Quagliata - the two are inseparable. Charley has made this program into one of the greatest assets in Broome County, and one of the best community education programs in the State. . . Much of this is due to the sensitivity of Charley Quagliata to the needs of the community and his inordinate ability to put good ideas to work for the benefit of all. . . I fully endorse our campus committee's nomination of him for the Chancellor's Award," said Dr. Block.

"The Broome Community College community is proud of the recognition bestowed upon our colleagues and appreciate sharing in this honor," added Dr. Dellow.
